		<p>spoke to client. he received first SSI check for 788. Next month he should receive his first SSD monthly benefit of \$1,300. He is getting \$2,900 back pay from SSI which is being levied in its entirety from DSS. They also will have a lien on the back SSD award of approximately \$800. Unknown what back amount of SSD award is but maybe \$9,000. Told client got Order waiving Court's Filing Fee. Told him bill from corning hospital for 304.87 was included in petition. He went to emergency room after petition, i told him that could not be included in BK and if something is not covered after his insurance he can do a community care application.</p>
